Full Stack Developer

Greytip Software Private Limited

📅 Dec 2017-Dec 2018 📍 Bangalore, India

- Development of next generation task management using Play, JPA, Java, Kafka, Redis, Postgres, Angular
- End to end development and deployment of the project for processor clients in Python, Django, Celery, Java, Angular
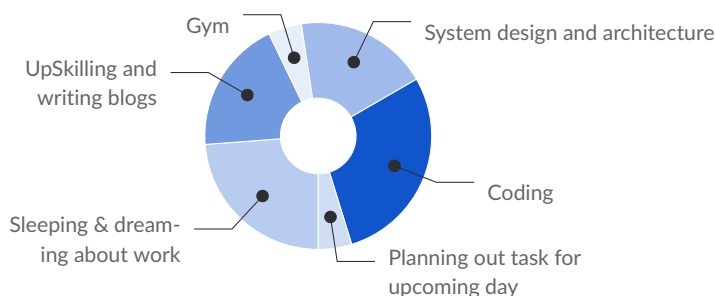

Software Developer

Greytip Software Private Limited

📅 Sept 2014 – Dec 2017 📍 Bangalore, India

- Code optimization and troubleshooting to improve app performance using Java, Spring, AngularJs

A DAY OF MY LIFE

- Gym
- UpSkilling and writing blogs
- Sleeping & dreaming about work
- Planning out task for upcoming day
- Coding
- System design and architecture

LIFE PHILOSOPHY

"If you can dream it, you can do it."

SKILLS

REST API Microservices
WebSecurity Multitenancy
AWS Kafka SQL Postgres
Redis & Apache Ignite CI&CD
Jenkins Docker & Kubernetes ELK
Python & Django Java & J2EE
Spring Boot & Play
JPA & Hibernate Gradle & Maven

Javascript & Angular Nodejs
TypeScript

LANGUAGES

Java ●●●●○
Python ●●●○○
JavaScript ●●●○○
Elixir ●○○○○

EDUCATION

B.Tech in Computer Science

Rajasthan Technical University, Rajasthan

📅 Jan 2008 – Jan 2012
